

6/22/09 Juvenile Court Judge Richey Imposes 30 Days Contempt for Dead Beat Parent

On June 22, 2009, Juvenile Court Judge Kathleen Richey imposed 30 days jail time for contempt upon Deadbeat Parent, Darrell Carter, who failed to appear in court on 11/13/08 and 2/20/09. He was recently arrested by the Sheriff's office on his outstanding child support bench warrants and was brought to court on June 22, 2009. The judge ordered him to remain in jail until a DNA sample can be drawn to confirm paternity of the child so that child support payments can be established.
