

MEDIA RELEASE

9/22/09 ADA Maria Finley appointed as Domestic Violence prosecutor

9/22/09 Assistant District Attorney Maria Finley was appointed to the position of Domestic Violence prosecutor in the District Attorney's Office, effective October 1, 2009. This position is funded by a federal Violence Against Women Act stimulus grant recently awarded by the Louisiana Commission on Law Enforcement. She will also serve as a single point of contact between the District Attorney's Office, law enforcement, the Battered Women's Program, and Family Services of Greater Baton Rouge as we try to develop a community-wide framework that victims and offenders of domestic violence can access for help.
